

Local Contract Terms for Moata

Introduction

These are our Local Contract Terms for Moata and should be read in conjunction with our General Terms. Whilst our General Terms, Product Specific Terms, Moata Consultancy Terms and Data Protection Terms set out the terms and conditions that ordinarily apply in respect of Moata and the Moata Services, local laws and regulations around the world may vary and our operations in some countries/states may mean that we are subject to different, or additional, local rules or requirements.

These Local Contract Terms set out the terms and conditions that apply in addition to, or in replacement of, certain of the terms and conditions set out in our General Terms, Product Specific Terms, Moata Consultancy Terms and Data Protection Terms by virtue of the country/state where we are located and the nature of our operations in that country/state.

If any of the country/state specific terms and conditions are relevant to you because of the way in which you engage with us and there is a conflict between those terms and conditions and our General Terms, Product Specific Terms, Moata Consultancy Terms and Data Protection Terms, then the country/state specific terms and conditions will take precedence.

These Local Contract Terms shall automatically apply to and form part of a Contract and shall survive the termination or expiry of any of your subscriptions for Moata Products and/or Moata Consultancy Services or the relevant Contract.

Words and expressions defined in these Local Contract Terms have the meanings given to them in these terms and conditions. Other words and expressions defined in our General Terms and Data Protection Terms have the same meaning in these Local Contract Terms.
